AMENDMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The enclosed Amendment is in response to the Office Action dated June 28, 2005 for the above identified patent application.

The Commissioner is hereby authorized to charge any required fee(s) to the VISA credit card [REDACTED]. An authorization sheet is enclosed for such purpose.

The following is in response to the DETAIL ACTION that was requested in your first office action:

1. Information Disclosure Statement was requested because my listing of references in the specification was not a proper information disclosure statement. I have attached form 1449 with the same references listed on it per your request.

2. Drawings were not submitted with the original filing because I didn't think they would be needed. Per your request I have prepared two drawings and ask that they be added to the specification. To make the specification now read correctly please make this **Amendment to the Specification.**

It begins on page three, right column, paragraph [0031] in the section BRIEF DESCRIPTION OF THE SEVERAL VIEWS OF THE DRAWINGS.

~~Not Applicable~~ FIG. 1 shows an isometric view of a four-sided multiple display system.

FIG.2 shows the position of people around a four-sided multiple display system.

I have also enclosed each of these drawings on a separate page to be included in the application. The Examiner is respectfully requested to approve the proposed drawings.

3. Claim Rejections 35USC§112 you mention in your paragraph number 4 were single-step method claims. I would like to make the following **Amendments to these two Claims** begining on page five, right column:
